- Managed and funded privately by the Chinese Women's Association since 1978.
- Provides housing for the elderly with caring supervision.
- Residents are free to come and go. They are encouraged to keep their rooms clean and to cook for themselves.
- Also provides respite care to help look after elderly for a short period of time e.g. families go on vacation.
- There is a full-time supervisor, an activities co-ordinator, a live-in nurse and cook. A medical doctor visits the Centre.
