

Pray For Singapore

The NDP 2009 Logo depicts a stylised hand reaching out to Singaporeans of different backgrounds, connecting us all as one united people.

A motif of the heart on the palm of the hand embodies our compassion and care for our citizens.

The five stars forming the fingers symbolise democracy, peace, progress, justice and equality in vibrant colours reflecting our nation's diversity.

Reaching up in celebration of our progress as a nation, the shooting stars represent our hope for a better future.

Come Together As One People, Reaching Up To The Lord, Reaching Out To The Lost

Psalm 67:4-6 May the nations (Singapore) be glad and sing for joy, for you rule the peoples justly and guide the nations of the earth. 5 May the peoples praise you, O God; may all the peoples praise you. 6 Then the land will yield its harvest, and God, our God, will bless us.

Come Together As One People

Building Strong Families

Thank the Lord for good jobs and pray that even in the midst of busyness, husbands and wives will prioritise spending time with the Lord, each other and their children.

Church United

Ask the Lord to bring His church together as one body. May He break down walls of denomination, envy, 'My-church-is-bigger-and-better' mentality and unite us with one heart, one passion. Pray for a greater love for our country.

Racial Harmony

Thank the Lord for continued peace and prosperity. Pray for the police and legal system. Pray for races and nationalities represented in Singapore. That neighbourliness, kindness, compassion for the aged and elderly and a greater sense of community will be found among us.

Psalm 2:8, "Ask of me, and I will give you the nations as your inheritance, the ends of the earth for your possession"

Reaching Up To The Lord

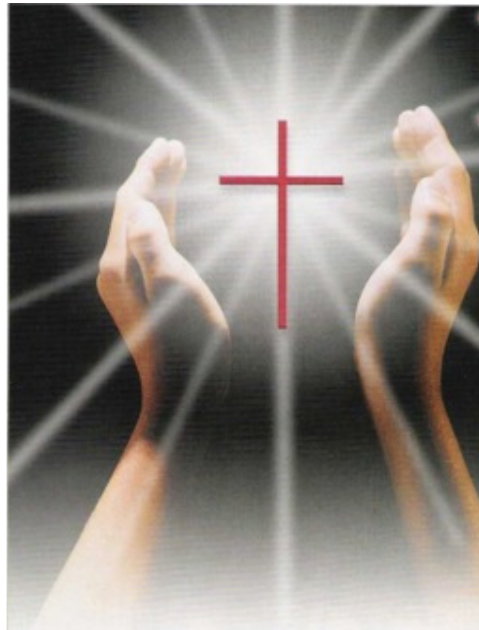

Greater Revelation of Spiritual Things

Pray that the Lord will give us spiritual wisdom, that our hearts will be fully His, that our ears are able to hear Him. Make us a people who know the Lord, who can do great exploits through Him.

Connected To The Worldwide Body of Christ

Ask the Lord to make us one with the global body of Christ. To know His heart for the people and countries of the world. To give us the confidence that our prayers can affect policies, economies and the outcomes of elections, hasten scientific progress, create social movements and set people free.

Upholding Our Government

Pray for PM Lee and his cabinet. Ask God for His continued favour upon them. That he will raise men with integrity and conviction, who will know the Lord's heart and do what is right in His eyes and not bow down to public pressure.

Luke 6:31, "Do to others as you would have them do to you. 38 Give, and it will be given to you: good measure, pressed down, shaken together, and running over will be put into your bosom.

Reaching Out To The Lost

Loving The Unloved

There are many 'invisible' people in our society. The poor, orphans, handicapped, ex-offenders, foreign workers, people of different religions. Ask the Lord to use us – His body – to reach out to these people, to remove the veil over our eyes, that we may see them with compassion and show the kindness and goodness of Christ through our words, actions and deeds.

Rejecting Materialism

We have become a society always seeking more, wanting bigger and better. Ask the Lord to teach us to be contented with His blessings, to seek first His kingdom and know that all these things will be added unto us.

Release of Finances

Thanks to his favour, we have become one of the world's wealthiest countries. Ask the Lord to teach us –as individuals, and business influencers and owners – to be wise stewards of His money, asking Him how we may bless nations with what He has so abundantly given to us.
